Action Taken

An export application and payment were received in the Commission's office for the Kansas Department of Health & Environment Laboratories for fiscal year 2009-2010. It was reviewed for completeness and recommended for approval.

Rule 1.4 allows for the approval of export applications by electronic methods.

The application was sent to the Commission members for their review and subsequent vote to approve or deny authorization to export low level radioactive waste from the Compact Region.

RECORD OF VOTE

Arkansas Commissioner – Laura Gilson – YES

Kansas Commissioner – Shari Albrecht – ABSTAINED

Louisiana Commissioner – Jeffrey Meyers – YES

Oklahoma Commissioner – Catherine Sharp – YES

The application to export was approved by majority vote in the affirmative and the Authorization to Export Waste certificate was issued on August 19, 2009.

A record of the electronic vote is maintained in the Commission's office.
