# Memorandum

**To:** Waste Generator of Central Interstate LLRW Compact  
**From:** Rita Houskie, Administrator  
**Date:** June 20, 2008  
**Subject:** 2008–2009 Application to Export Low-Level Radioactive Waste

---

Attached is an Application to Export Low-Level Radioactive Waste from the Central Interstate LLRW Compact Region for fiscal year 2008-2009. A waste survey is also enclosed. Please complete the waste survey and return it to the Commission.

The Commission must approve Export Applications before low-level radioactive waste is exported from the Compact region.

If you plan to export low-level radioactive waste from the Compact region for disposal, during fiscal year 2008-2009, please complete and return the completed form with the applicable payment to the Commission's office by July 11, 2008.

Applications will be considered for approval at the Commission teleconference July 15, 2008.

**PLEASE NOTE:**

The Commission has removed the "Occasional Shipper" portion for the Very Small Generator. Generators in this category will need to apply for authorization to ship in the fiscal year in which they will be shipping.

The Commission's office has moved – please update your records with the new mailing address:
