Action Taken

March 2011

Export applications and payments were received in the Commission's office during the month of March 2011. The following applicants were recommended for approval:

Non-Federal:

Cessna Aircraft Company (KS) [vote: 4-0-0]

Federal:

Pika International, Inc (AR) FY 2010-2011 [vote: 4-0-0]

Rule 1.4 allows for the approval of export applications by electronic methods.

The applications were sent to the Commission members for their review and subsequent vote to approve or deny authorization to export low level radioactive waste from the Compact Region.

RECORD OF VOTE

The applications to export were approved by majority vote and the Authorization to Export Waste certificates were issued.

Click on the applicants name to view the record of vote.

A complete record of the electronic vote is maintained in the Commission's office.
