#### Federal:

Pika International, Inc (McAlester, OK) FY 2011-2012 [vote 4-0-0]

Rule 1.4 allows for the approval of export applications by electronic methods.

The applications were sent to the Commission members for their review and subsequent vote to approve or deny authorization to export low level radioactive waste from the Compact Region.

### RECORD OF VOTE

The applications to export were approved by majority vote and the Authorization to Export Waste certificates were issued.

A complete record of the electronic vote is maintained in the Commission's office.
